Could You Be the Lynk We're Looking For?

Our ideal candidate has strong musical skills in voice, guitar, piano, and percussion. Someone who feels confident leading individual and group sessions and is motivated to learn new skills from a diverse & inclusive team. A valid driver's license and reliable transportation are required, as our services extend to various locations (each day optimized for minimal travel). Experience working with neurodiverse populations, including autistic individuals and ADHD-ers, is essential. Bonus points for candidates with NMT certification and experience in neuro-affirming therapy!
